# INTERNSHIP & PLACEMENT CELL

GIL has always been a promoter of practical knowledge and on ground experience. Keeping the same ideology in view, GIL organized Internship Fair under the theme “Prashikshan”. It is a Hindi word meaning “internship”. The aim of the event was to equip the students with the art to sell oneself to the potential recruiter keeping their demands and qualifications at the pace with one’s own interests and aspirations.

Law has provided multiple options to the students in Corporate Houses, Law Firms, NGOs, Courts (Litigation), Regulatory Bodies etc. The Corporate world has its measurable share in the recruitment of Law Graduates. The expectations of the corporate world are very high and keeping this in mind the Placement Cell in GIL was formed to bridge the gap between the students and the corporate world. The internship and placement cell of GIL works throughout the year and provides structured interface in building relationships and networking with legal professionals from the industry
